NEWSLETTER NO. 9 SUMMER 2014

Dear Friends

This is the busiest time of the year for the **EVENTS PROGRAMME** in the Chapel (see it all at www.unionchapel.org.uk/events. In August it All goes relatively quiet and builders move in – at the moment there is a big campaign to repair and sound proof all the windows on the Compton Avenue side. The street here will be transformed with new housing but getting it built is very noisy and affects the numerous theatre rehearsal companies hiring the Sunday School.

In the Chapel there is a new array of lights fixed to the columns. There is a balance to be struck between having a Victorian Church and a TV Studio but the effects at gigs is spectacular!

Meanwhile repairing the pews is in progress. They get heavier use now than ever before!

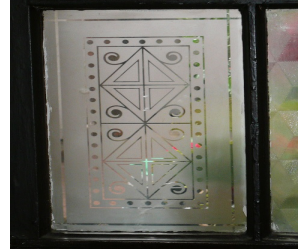

In a major reorganisation in January 2015, the Union Chapel staff will all move from the Compton Avenue side of the building into new offices in 19 Compton Terrace, the main entrance; again ! With this will go new signs and notices on the West Front.

THE ORGAN & MUSIC OUTREACH programme continues until March 2015 and beyond with Organ Recitals and Choir.

The next Choir event is on Wednesday 25 June 2014 in the Chapel. "Summer is a comin" starts at 7.00pm and—it's free !
